

## Lincolnshire 3x3

24-May-2017

## Oilseed Rape Summer Event

**OSR 3x3 invites you to an oilseed rape summer event to discuss the issues that will drive yield, profit and sustainability. Join us to:**

- 1. Review the effects of different treatments on the crop canopy in the demonstration field**
- 2. Variety decisions, selecting the right variety for each situation**
- 3. Glyphosate - best practice for harvest management use and an update on the re-registration process**
- 4. Shattering resistance, what does it mean for crop management at harvest**
- 5. Water Stewardship and Herbicides, advice from Kelly Hewson-Fisher, Anglian Water**

For 2017 we have large strips of DK Exalte, DK Secret and DK Imperial CL in the ground where we will look at variety characteristics, delayed drilling, Clearfield, Flea beetle, nutrition and crop protection.

**Friday 9th June 2017  
8.30am - 10.30am**

**Breakfast at 8.30am then head to trial field at 9am for tour and discussions**

**Pyewipe Inn, Saxilby Road, Lincoln, LN1 2BG**

To register your attendance please contact Sandra Cousin at [sandra.cousin@yara.com](mailto:sandra.cousin@yara.com) or 01472 889307

**Yield • Profit • Sustainability**
